

Al and Mary Treadwell opened Al's Sport Shop in August of 1979 after moving to San Diego from Santa Barbara with their two young children. The original location was located in a 1600 sq ft suite in a strip mall at the corner of Mission Gorge and Olive Lane. The front parking lot was dirt and their neighbor was a miniature pony farm. The city has grown since then and Al's Sport Shop is thrilled to have grown with the city and enjoys the small town atmosphere it still provides. With over 30 years of service, Al's has provided generations of families with cleats, uniforms and trophies. Al's Sport Shop has moved to a 6000 sq ft building further west on Mission Gorge Road, but has kept it's small town feel. Mary and Al pride themselves on providing personalized service and getting to know the wonderful people who walk through the front door everyday.

Al's would be classified as your nuts and bolts athletic store. We carry everything from jock straps to football helmets. Our specialty is youth sports: Baseball, softball, soccer, football, field hockey, lacrosse, volleyball, waterpolo, and everything in between. We also feature embroidery, silkscreening, banners, signs, trophies , and other promotional items.
